

In the field of personal protective equipment (PPE), the work gloves offered by BCL help improve the health and safety check of users, while increasing their productivity.

OUR MISSION: "Help make organizations more productive by protecting and optimizing the use of hands for their workers."

Since 1964

Handling – Precision Glove Model S004-4122 Nitrile Foam Coated Nylon

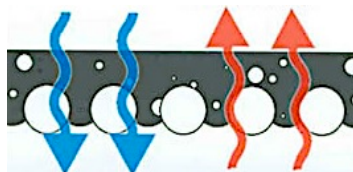

Our seamless polyester / spandex knit glove is of great comfort. The combination of stretching technical fibres allows it to fit the hand perfectly.

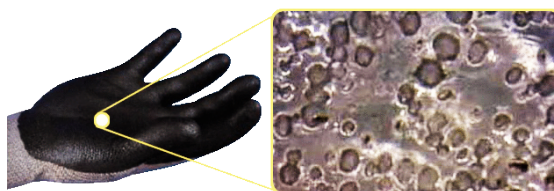

The polyester repels moisture unlike any other fibres.

This foam nitrile NBR coated glove to the palm and fingers has a very good grip on wet or dry surfaces, therefore reducing fatigue.

This technical glove breathes and has extreme durability.

Below: A microscopic view of surface of the foam NBR.

Designed for multiple tasks:

- ❖ Handling
- ❖ Shop work
- ❖ General work
- ❖ Automobile assembly
- ❖ Light assembly
- ❖ Electronic
- ❖ Maintenance
- ❖ Plastic moulding
- ❖ Warehouse work

Maintenance:

To wash the glove and get rid of tough stains like oil stains and grease, one has only to rub hands under running warm water.

This glove is machine washable at regular cycle..

Available sizes: S, M, L, XL and XXL
