

In the field of personal protective equipment (PPE), the work gloves offered by BCL help improve the health and safety check of users, while increasing their productivity.

*OUR MISSION: "Help make organizations more productive by protecting and optimizing the use of hands for their workers."*

Since 1964

## Keystone Thumb Driver Glove Model S1005 All grain leather

### Designed for these tasks:

- ❖ Driver
- ❖ Chauffeur
- ❖ General work

All grain leather, this selection glove of Class "A" is suitable for chauffeurs, drivers and truckers who handle equipment and goods in addition to driving a vehicle. With his elastic wrist adjustment, this durable and economical to purchase, is a very good choice.

This glove, with its Keystone thumb, is an ergonomic design that provides its users with superior comfort for the hand. The thumb is kept in its natural position. For handling in cold environments we recommend the lined version with Thinsulate® 40 grams (see Model 1005D S).

**Maintenance:** To clean these gloves, we recommend washing with mild soap with a wet wipe and then drying at room temperature.

### Characteristics:

- All grain leather
- Keystone thumb
- Elastic wrist
- Handling in wet or dry conditions
- Very soft leather glove
- Dexterity and good resistance
- Golden color

Available sizes: M, L and XL
